

Digital Accessibility Statement for Planet eStream (Android Mobile Application)

This accessibility statement applies to Planet eStream.

Planet eStream is provided by Planet eStream on behalf of the University of Huddersfield. We want as many people as possible to be able to use this mobile application. For example, you should be able to:

- change colours, contrast levels and fonts
- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the mobile application text as simple as possible to understand.

[AbilityNet](#) has advice on making your device easier to use if you have a disability.

How accessible this mobile application is?

[Planet eStream's Accessibility Declaration of Conformance Report](#) has identified the platform as partially compliant with the WCAG 2.1 AA accessibility standard where applicable.

Known Limitations

This mobile application is made available for the convenience of users who would like a simple way to upload media to the Planet eStream platform from a mobile device. This application does not provide an interface to access media or other resources that are published on the Planet eStream website.
